

What is Blessings of Hope?

Blessings of Hope is a non-profit food distribution warehouse that was set up to allow large food distributors to efficiently donate their excess products.

Blessings of Hope met the need of local food distribution warehouse managers by redistributing the excess product to smaller food ministries, outreaches, and those in need in the communities.

ValleyView Alliance Church is partnering with Blessings of Hope to assist with the needs of our community. We want to show God's love to people by meeting their daily needs.

BOH Testimonials

I am unemployed, with a family of five... two adults and three kids. Having a hard time finding work and I have medical problems. This food bank is really helping my family in our time of need, and the people are very kind-hearted. We are very thankful for all the help.

I am retired and semi-disabled. Blessings of Hope has filled our needs and given us hope.

My husband and I are both unemployed and we have three kids. BOH helps us provide food for our children when we begin to wonder how we are going to feed them. It has just been a blessing. I thank you and God!

I am a single parent with three children living in two rooms at a motel. The food boxes we receive are unique. We never know what we are getting. It's fun! God bless.

We are jobless and hungry. We are very blessed by the milk and fresh veggies we receive from Blessings of Hope.

Number in your family: _____

Address: _____

Phone Number: _____

Email: _____

How can we pray for you?

I understand that the food given is pre-packaged and may include out of date or near out of date items. I acknowledge it is my responsibility to check the food that is given to me to ensure it is acceptable for consumption.

Signed: _____

Here's How it Works

- Complete the *BOH Registration* form in this brochure.
- Call the church office at (717) 755-0193 to give your contact info and place your order. One (1) box per household
- Food box orders for the 4th Thursday of the month (not including November) are due that Monday.
- If you want a standing order, please let us know. If at any time you do not need a box in a standing order please let us know by Monday of that week.
- Box pick up is 3:30—5:30PM on the 4th Thursday of the month. **No food distribution in November.** Please bring your *BOH Registration* form with you.
- If you are unable to pick up your box for any reason between the given times on Thursday, please call the church as soon as possible.
- If you do not pick up your box, your standing order will be terminated until you communicate with the BOH team.
- Everyone who receives a food box must fill out a form. You may deliver/divide food to multiple families, but understand you are responsible for the proper handling of food once it leaves our premises.
