

Here's How it Works

- Complete the *BOH Registration* form in this brochure and bring it with you the first time you come.
- Call the church office 755-0193 to give your contact info and place your order. One order per home.
- Box orders of food (one per household) for the fourth Thursday of the month is due that Monday.
- If you want a standing order, please let us know. If at any time you do not need a box on a standing order please let us know by Monday of that week.
- Box pick up is 3:30—5:30PM on the fourth Thursday of the month.
- If you are unable to pick up your box for any reason between the given times on Thursday, please call the church as soon as possible.
- If you do not pick up your box, your standing order will be terminated until you communicate with the BOH team.
- Everyone who receives a food box must fill out a form. You may deliver/divide food to multiple families, but understand you are responsible for the proper handling of food once it leaves our premises.

BOH Testimonials

I am unemployed, with a family of five...2 adults and 3 kids. Having a hard time finding work and I have medical problems. This food bank is really helping my family in our time of need, and people are very kind hearted. We are very thankful for all the help.

I am retired and semi-disabled. Blessings of Hope has filled our needs and given us hope..

My husband and I are both unemployed and we have 3 kids. BOH helps us provide food for our children when we begin to wonder how we are going to feed our children. It has just been a blessing. I thank you and God!

I am a single parent with 3 children living in a two rooms at a motel. The food boxes we receive are unique. We never know what we are getting. It's fun! God bless.

We are jobless and hungry. We are very blessed by the milk and fresh veggies we receive from Blessings of Hope.

What is Blessings of Hope?

Blessings of Hope is a non-profit food distribution warehouse that was set up to allow large food distributors to efficiently donate their excess products. The excess products usually include eggs, milk, bread, potatoes, and non-perishables.

Blessings of Hope meet the need of local food distribution warehouse managers by redistributing the excess product to smaller food ministries, outreaches, and those in need in the communities.

ValleyView Alliance Church is partnering with Blessings of Hope to help the needs of our community. We want to show God's love to people by meeting their daily needs.
