Children's Classes

Children explore God's world and word as they make friends with other kids and our dedicated adult volunteers. Our age-appropriate teaching, music, and activities are just right for your child's explorer spirit!

Our children's ministry area opens at 9am on Sunday mornings for classes of all ages. Screened and trained volunteers provide "Explorers 1" for kindergarten-4th graders, "Lil' Explorers" for 30 months - 5, and "Tiny Explorers" for infants - 30 months. There are classes for Youth 5th-12th grades & adults as well!

The children's ministry experience is offered during the 10:15am worship for "Lil Explorers" and "Tiny Explorers". Children ages Kindergarten and up are encouraged to worship together with their family. At ValleyView, we value all generations worshipping together.
