Greetings!

Areas needing vacuumed: Hallways, lobby, sanctuary (including sound booth & stage), multi-purpose room & classrooms. Once classrooms are vacuumed, doors are to be shut & locked.

Thank you for your willingness to continue to minister in this way. If, for some reason, you cannot vacuum the church on your designated week, please feel free to switch with someone else, but let me know so I can contact the appropriate party to give them the schedule of events for that week. I will send a reminder email out the week of your scheduled duty. If you need to reach me, please contact me at (717) 755-0193 or cbolton@valleyviewcma.org.

Blessings to you!
Crystal Bolton
